

09 degree of Sagittarius: 'A mother with her children on stairs'

Stairs are obvious symbols of ascent and descent. Mother here appears to be the guide, the adult supervising youngsters in their attempts at living. The image exudes an atmosphere of cosiness and family loving.

Key words often associated with this Sabian are care and protection: Great Mother Life looking after us, her inexperienced children, through the ups and downs of existence: it is time for trusting that we are protected and guided by a higher Self, no matter how arduous the climb ahead of us or how unprepared we may feel to the task.
