

13 degree of Sagittarius: 'A widow's past brought to light'

Just as the past seems dead and buried (the late husband) it comes back to haunt us; there is no way to avoid it.

Action and reaction is the theme here. None of the past can be kept a secret or be forever forgotten, because it is the very spring of our present situation.

Past thoughts and actions determine our present, no matter if we are aware of this or not. Bringing this karmic connection to light helps to derive wisdom from all experiences, the unpleasant and the pleasant, those we regrettably played a flawed part in, as well as the ones that have been life enhancing and positive.
