

19 degree of Capricorn: 'A child of about five with a huge shopping bag'

Now, isn't that bag a bit too big for a small child? Are we being told not to take on too much because we may find ourselves inadequate to the task? Or, perhaps, that we need to use all our available resources and strength we possess to tackle the present circumstances, no matter how difficult and heavy they appear to be.

We may like to 'play' with life, in a childlike manner, not to feel the burden of responsibility, but this is not time for fun and games; duty calls.
